Too many to list!!! [Drop me a line](#) for a free estimate

Event Support £35 per hour / £175 per day

Bespoke bike maintenance training £35 per hour

Due to increased costs there is a single £5 fee payable on top of any work carried out outside of the OX11 postcode area. I am unable to undertake private work in and around Oxford City.

Cost of some popular replacement parts:

Inner Tube (Schwalbe) - from	£6
Rim brake pads (pair - front or rear)	£6
Disc Brake pads (pair - front or rear)	from £9
Inner cable (brake or gear f or r) - ss slick	£5
Outer cable (brake or gear, f or r) - low friction	£3

Notes

1. The above prices are for labour only unless otherwise stated.
2. Prices that include 'from' relate to complex systems. Most customers will only pay the price stated above. Any costs above this will be agreed before work starts.
3. This price list is not exhaustive. [Get in touch](#) for a bespoke estimate
